

Happy hour with The Etergino Group to celebrate the RideForPKD

Please join us to celebrate the RideForPKD arriving in Washington, D.C.

The RideForPKD was founded by Glenn Frommer to raise awareness and support for the Polycystic Kidney Disease (PKD) Foundation. The PKD Foundation is the only organization in the U.S. solely dedicated to finding treatments and a cure for PKD.

Glenn, an avid cyclist and PKD sufferer, set off from San Francisco in May and over the last 100 days bicycled 5,300 miles across the Rockies, through the Plains to Kansas City, up to Chicago and down to Washington, D.C.—all to raise awareness and research funding for this disease that impacts 600,000 Americans.

We are honored to celebrate Glenn's incredible accomplishment and support this important cause.
